

PRODUCT REFERENCE SHEET: BURN CAPSULES

Target belly fat and suppress your appetite naturally

This unparalleled metabolic stimulator pairs naturally derived caffeine (from coffee) with EGCG (from green tea) to extend your fat and calorie-burning efforts for hours. We've bolstered this one-of-a-kind formula with the trifecta of weight loss nutrients—*garcinia cambogia* (for appetite suppression), *vitamin D3* (to target belly fat) and *patented coleus forskohlii* (for fat loss, weight loss and lean muscle mass).*

Through the natural process of aging, our metabolism slows down, causing a downshift in our ability to burn fats. This can be reversed through proper supplementation, bringing our fat and calorie-burning levels back up to levels we saw in our younger years. The challenge is, revving your engine (and weight loss efforts) without over stimulating your heart or keeping you up at night.

Burn can help:

- Support healthy weight loss and weight management.*
- Increase metabolic rate and calorie burning.*
- Improve appetite control and reduced food intake.*
- Target belly fat.*
- Promote efficient use of carbohydrates.*

Item: 3010 • Each bottle contains 30 (two capsule) servings.
Retail: \$45 • Preferred Customer: \$40
Member: \$35 / 25 PV • **Auto Delivery: \$30**

Directions: Consume up to two capsules twice daily. If you are unaccustomed to caffeine supplements, start slowly, then gradually increase. Do not consume after 2 PM as caffeine in the formula may make it difficult for you to sleep.

Caffeine

*Naturally derived from green coffee beans, stimulates the nervous system to break down fats and increases your metabolic rate to burn more calories.**

EGCG

*Derived from green tea, EGCG significantly decreases fatty tissue deposits, regulates metabolism, increases fat oxidation and improves endurance.**

Coleus Forskohlii

*Increases fat burning, suppresses appetite, prevents weight gain, improves body composition, and preserves lean muscle mass.**

Supplement Facts

Serving Size 2 Capsules		Servings Per Container 30
