See individual product sheets for ingredients, featured blends, directions and benefits.

Tired of weight loss products that drain your wallet, set unrealistic expectations or make empty promises? Stop taking the 'Band-Aid' approach to weight loss and take your efforts to the level with a system of products designed to combat three of the biggest contributors to weight gain: undigested fats and carbs, sluggish metabolism and poor appetite control.

Cleanse

A targeted, triple-action formula primes your system by gently flushing away some of the obstacles in reaching your weight loss goals.*

Burn

An unparalleled metabolic stimulator blends caffeine, EGCG, garcinia cambogia, vitamin D3 and patented coleus forskohlii to help you lose weight, target fat and suppress your appetite.*

Superfood Protein Complex

A premium-protein shake, enriched with superfood greens can help energize your workouts, build lean muscle mass, and help you uncover your ideal body.*

Exceeding Your Expectations

"All natural and proven effective, Javita's Lifestyle30 Weight Management System is second-to-none, and should be a part of everyone's daily efforts to get fit and healthy."

– Monica Johnson, M. SC. Director of Botanical Research & Development
